

Western Academy of Management

2012 Doctoral Consortium

Overview

The WAM doctoral consortium is held every year prior to the official Western Academy of Management meetings. The intended audience for the consortium are doctoral students at all levels of their study (first year through ABD's) as well as junior faculty members. The purpose of the consortium is to provide participants with an opportunity to learn about best practices in teaching and research in a supportive environment. The specific learning objectives are to: (a) Receive feedback on individual burgeoning research agendas, (b) Learn about and share teaching innovations, (c) Network with colleagues and expand one's professional community of practice. The consortium will incorporate active learning and enable participants to draw from the experiences of senior colleagues and each other.

Dates

The consortium begins on Wednesday, March 21, 2012 with registration and refreshments at 4:00 p.m. A group dinner will be held at terrific restaurant in La Jolla from 6:00-8:30 p.m. Thursday, March 22 is an action-packed all-day event that begins with breakfast at 7:45 a.m. and concludes at 5:00 p.m.

Registration

Registration is easy! Just email Ellen Ensher, WAM Representative-At-Large, a brief statement of your research interests, your institutional affiliation, and current professional designation (i.e. 2nd year doctoral student etc.). Ellen can be reached at: eensher@lmu.edu or at (310) 338-3037.

Cost

The Consortium is FREE for first or second time doctoral students. \$50 for Junior Faculty!
