The Junior Faculty Consortium and the Doctoral Student Consortium hosted by the Western Academy of Management (WAM) will be held Wednesday through Thursday, March 22-23rd, 2023, in-person in Reno, Nevada, along with the WAM Annual conference and meeting. We invite doctoral students at all stages in their program to apply for the Doctoral Consortium and all junior faculty to apply for the Junior Faculty Consortium. We especially welcome newcomers to the WAM conference!

The aim of the consortium is to build a supportive community of scholars at all stages of the profession. The consortia program will offer panels, presentations and small group discussions about research, publishing, teaching, and other career-related issues. There will be opportunities to network with scholars, journal editors, JMI career award winners, award winning ascendant scholars, past WAM presidents, and other conference attendees. Attendees must commit to attending the full session, and plan to join the included networking dinner on Wednesday, March 22nd, 2022 evening.
